STUDIO RENTAL GUIDE

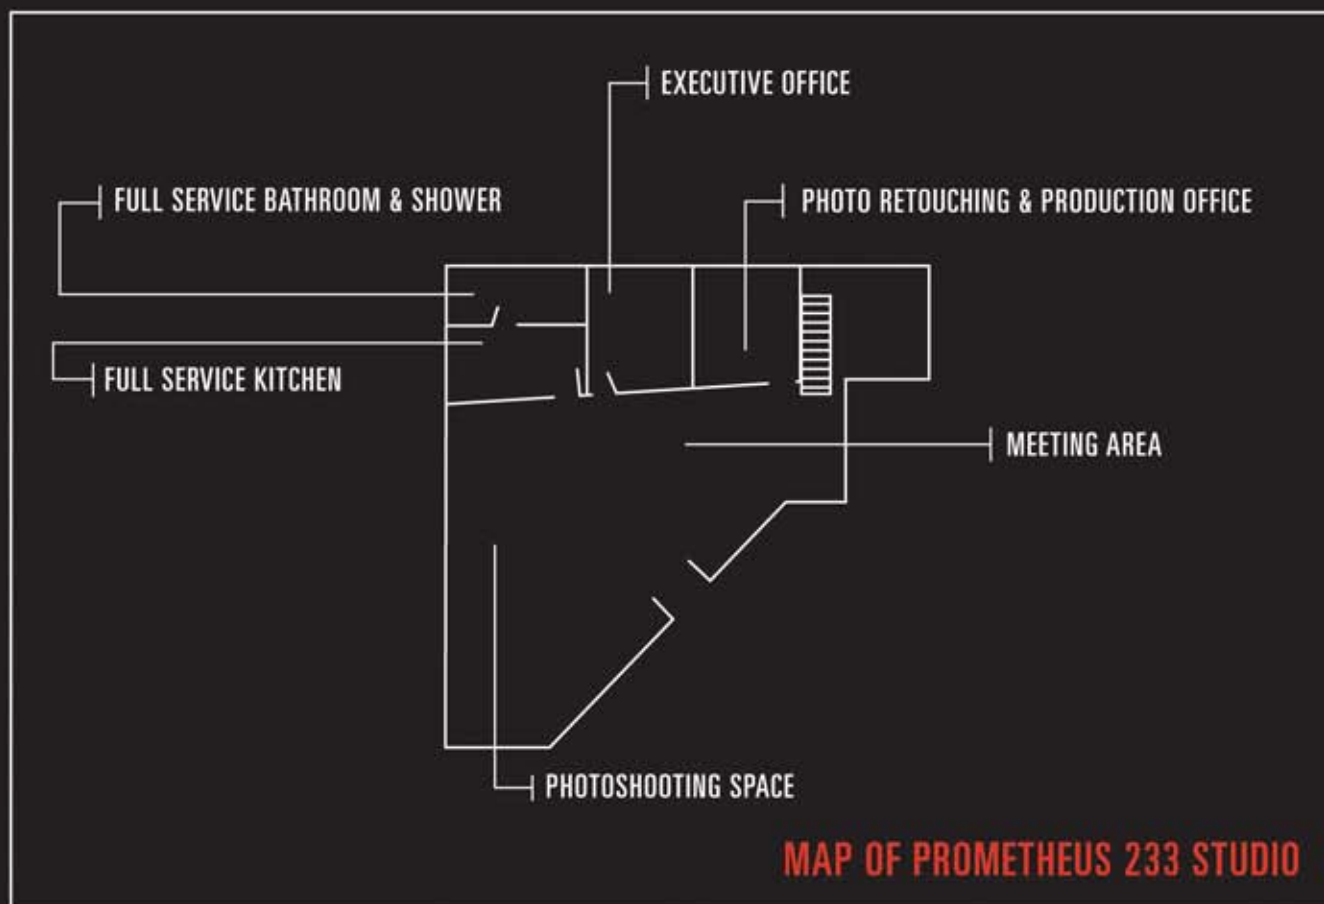

Fire. Passion. Craft.

Prometheus 233 is a full service, state of the art, digitally driven media studio. Prometheus 233 and its creative network provide top quality photographic, design, and printing services to the publishing, advertising, product, and fashion/modeling industries.

STUDIO RENTAL

Prometheus 233 is a full service rental studio located in the heart of downtown Buffalo. Our 1800 square foot space is ideal for all of your photographic needs, whether you are looking to create small product shots or cutting edge fashion images. Our contemporary design, service oriented staff, location, and dedication to the art and business of photography make us an ideal choice for your production.

Run by photographers for photographers; we understand the work that goes into making a production run smoothly. In addition to our rental space we are able to provide a variety of production services that allow you to focus on creating high quality imagery. These services now include: casting, location scouting, crew, permit acquisition, post production, printing, prop and set styling, and more.
